

# INVITATION TO BID

Date \_\_\_\_\_

Dear Sir/Madam:

I am offering for sale approximately \_\_\_\_\_ board feet of sawtimber and/or \_\_\_\_\_ cords of pulpwood located in \_\_\_\_\_ County and further described as follows:

---

---

---

This timber has been marked selectively by \_\_\_\_\_ . The attached tables of timber volume were estimated at the time the trees were marked. The diameter at breast height (4½ feet) was measured on every tree and the number of 16-foot logs estimated.

The volumes in board feet Doyle Scale were computed from tables developed by the United States Forest Service, and are considered to be an accurate estimate of the quantity. However, these data are furnished only for the information of the bidders and are not guaranteed.

Timber to be cut is marked with a paint (color) \_\_\_\_\_ spot at about head height and one at below stump height. Cull trees are marked with an "X" at head height and a spot on the stump. The cull trees were not counted in the volume of timber marked and can be cut at Buyer's option.

A sample contract for the sale of this timber is enclosed. This contract will be filled out and forwarded to the successful bidder for execution and payment of funds within ten days after award is made. An award will be made within \_\_\_\_\_ days of the date of this invitation. Interested bidders are invited to inspect this timber during this period. If you have any questions, please contact us.

Yours very truly,

\_\_\_\_\_
