ARKANSAS FOREST
RESOURCES CENTER

2013 Forestry Workshop and Field Day

University of Arkansas Division of Agriculture
Southwest Research and Extension Center
Hope, Arkansas

Friday, April 19th, 2013
8:30 AM - 2:30 PM

This workshop and field day is designed to teach private forest landowners some of the basics of working with forests and managing forests for wildlife. Participation is limited to 50 people. Those who preregister will have priority. Contact Dr. Jon Barry by phone (870-777-9702) or e-mail (jbarry@uaex.edu) for further information. Registration forms and updates will be available at <http://swrec.uark.edu/index.htm>.

Lunch and handouts will be provided for those who register by the deadline.

Dr. Jon Barry
SWREC FW&FD
362 Hwy 174 N
Hope, AR 71801

Directions:

From Little Rock, take I-30 west to Exit 36 and turn left at the end of the ramp. Follow the signs onto AR 174 and drive west to the Agricultural Experiment Station.

From Texarkana, take I-30 east to Exit 31 and turn left (south) at the end of the ramp. At the first stop light, turn left (east) onto Clinton Bypass. After 1 mile turn left onto Hempstead 4 / Experiment Station Road. At the stop sign you will be able to see the Station to your left.

From the south, follow AR 29 into Hope. When AR 29 turns left onto Main Street, proceed straight ahead onto Clinton Bypass. Continue 3.5 miles and turn right onto Hempstead 4 / Experiment Station Road. At the stop sign you will be able to see the Station to your left.

The Arkansas Cooperative Extension Service offers its program to all eligible persons regardless of race, color, national origin, religion, gender, age, disability, marital or veteran status, or any other legally protected status, and is an Affirmative Action/Equal Opportunity Employer.
