

Feb. 14, 2014

Dear Firewise Communities,

Thank you all so much for helping to make 2013 another great year for Arkansas Firewise! The success of this program is a testament to the dedication and hard work of the Firefighters in this state. We are continuing to lead the nation with 131 recognized communities at this writing. Let's all resolve now to make 2014 even better.

Sometimes we tend to look at numbers and lose perspective of the real impact made by the efforts that you have all made at a local level. The mitigation and education projects that continue in our communities give all of us a safer place to live, work, play, and a much safer firefighting environment. Fires in 2013 were near record lows, and even still homes, churches, schools, and even lives were threatened. The importance of the work you do cannot be overstated.

Remember, the deadline to turn in renewal paperwork to receive grant money is October 1, 2014. The address to send paperwork to is: Arkansas Firewise, 3821 W. Roosevelt Rd. Little Rock, AR 72204. Or email us at [firewise@arkansas.gov](mailto:firewise@arkansas.gov). We will forward your renewal form to Firewise USA, but in order to process grant money, the paperwork needs to come to Little Rock. Recognition status can still be renewed through December 2014, but the grant deadline is October 1.

Be sure to include pictures of education projects, and before and after pictures of mitigation projects. We would love to see communities that may have not been recently active in Firewise simply renew their recognition and continue the Firewise program.

We are on Facebook at <https://www.facebook.com/ArkansasFirewise>. We post tips, trends, fire information and pictures of our communities from around the state. Send us your mitigation and education photos and we'll put them on Facebook.

If we can be of help in any way, please feel free to contact us at any time. Your efforts are what make this program work, and give the people of Arkansas a safer place to live. The mission of the fire service is to protect lives and property. Your hard work with the Firewise program helps make this a reality, again, we thank you!

Sincerely,

## Who is required to comply with Federal Civil Rights laws?

If you receive Federal funds or assistance from the Forest Service such as a grant or agreement, by law you must provide equal opportunity for all people to participate in the programs and activities you offer. For example, you should not deny or exclude anyone from programs, services, aids or benefits. Also, you must not retaliate in any manner against a person who files a complaint or opposes any unlawful or discriminatory practice. The back of this brochure shows Federal Civil Rights laws that apply.

This brochure provides a basic overview of your responsibilities for ensuring nondiscrimination in the delivery of your programs and activities to the public on bases covered by federal law. These bases include race, color, national origin, sex (in educational programs or activities), age, and disability.

## What are some types of Federal funding and assistance?

- Federal monies given by grants, sub-grants, cooperative agreements, challenge cost-share agreements, cost-reimbursable agreements, or loans
- Training presented by a Federal agency
- Loan/temporary assignment of Federal personnel (e.g., a Forest Service employee instructing a course at a local university)
- Loan or use of Federal property at below market value

- Signing an assurance certifying that you will comply with Civil Rights laws. If you have sub-recipients, obtain a signed assurance from them. An example of a sub-recipient is a local community organization receiving a sub-grant from a state forestry agency.
